

**Provide plan view site-specific drawings for detailed review, including:**

- Existing and proposed conditions along the shoreline at your project location
- Existing conditions and/or structures along the shoreline for each adjacent parcel
- Distances landward and waterward of proposed structure to existing water line
- Length (ft), width (ft) and type (I.e., concrete, wood, etc.) of structure
- Location and type (material) of pilings
- Water level (OHW, MHW, High Tide Line) and date of observation and/or datum
